

## **1:00 Video Script**

Remember being asked what you wanted to be when you grew up? You'd answer with an excited grin something like, "an astronaut!" or "superhero" or "prima ballerina."

Back then, you thought you could be anything in the world... and it was a great feeling at the time. But for some reason, as we get older, we begin to think we can't have it all.

We feel as if we must choose between our dream job and what's going to put food on the table for our families. We choose between the kids' college fund and our retirement plan.

But, what if I told you, you DON'T have to choose?

With the right mindset, guidance, and the strategies you'll learn in my next "Who Wants to Be a Millionaire" webinar, you'll discover how simple it is to receive abundance in America today. In this 3 day course, I will show you:

- How to achieve a Millionaire's mindset
- How to max out your retirement investment accounts
- Different ways to generate guaranteed passive income over your lifetime, as well as
- How to avoid losing your hard-earned retirement savings to taxes

And finally, I'll show you some of the best ways to distribute your wealth to give yourself the "happily ever after" you dream of.

You don't have to choose between the now and your future.  
You CAN have it all.

Register today, and I'll show you how.
